

William Beese was awarded the Eagle Scout Award at a dinner held at Grass Lake School. He is shown third from left with Lee Ipsen, Scoutmaster of Troop 80. Others left to right are William E. Brook, president of the State Bank of Antioch; Mr. and Mrs. Earl Beese, and the recipient's grandmother, Mrs. Ruth Beese.

## Eagle Scout Award Conferred On Beese

On Saturday night, Feb. 13, Scout Troop 80 of Grass Lake School held an Eagle award dinner. William Beese was the recipient of the Eagle award.

The Rev. Loren Messersmith of Millburn Congregational Church gave the invocation. Lee Ipsen, scoutmaster of Troop 80, was the master of ceremonies for the evening. More than 140 attended the award dinner.

William Brook, president of the State Bank of Antioch, spoke on the subject of the Eagle Scout working in the community.

Ray Atwood of Antioch gave a resume of the steps a Scout must go through to attain his Eagle badge.

Beese's parents, Mr. and Mrs. Earl Beese, his grandmother, Mrs. Ruth Beese, sisters Leslie and Jennifer, and brother, Robert were present.

Eagle Scouts Rich Eckert, Ray Atwood, Tom Wajnowiak and Don Edwards served as escorts for Beese and his family.

Elaine Wajnowiak was in charge of the menu.

Bill entered Cub Scouts in 1964. His father was his first cubmaster. Mike Wajnowiak took Bill over in 1966. In March 1967 Bill entered Troop 80. He made Tenderfoot in April, participated in all troop activities and in January 1968 he made 2nd class.

In July of 1968 he went to Camp

Makagawan with his fellow scouts. He attained first class scout in October 1968 and became patrol leader of the Rattlesnake patrol, and was then elected Senior Patrol Leader by the boys.

Troop 80 went back to camp the summer of 1969 and Bill was tapped out for the Order of the Arrow. He made Star Scout in October of 1969 and also participated in all Order of the Arrow activities from that time.

He went back to camp in 1970 and was elected to the Brotherhood of the Order of the Arrow. He holds office in Order of the Arrow as vice chief of the North in the Northwest Chapter.

Beese fulfilled his Eagle requirements at home and in camp.

While at camp last year he accomplished an extraordinary amount of work, such as Senior Patrol Leader of Troop, was on the War Canoe Team of Camp West, Order of the Arrow dance team for the calling out ritual.

## Dispatch Service Delayed

her of outstanding works for girls voices, some of which will be "Legend" by Tchaikovsky, "Windy" by Friedman and "Sing All Ye Lands" by Gretcheninof.

The concert band will feature a variety of interesting music such as Beguine for Band by Oasser, Selections from the musical "1776" and the final work of the concert.

The Coronation Scene by Mousarzszy which will have a special feature of antiphonal brass players from the wind ensemble.

Tickets are now on sale and will be on sale at the door, beginning at 7:30.

## Filings End For Village Trustee

Filings have closed for a place on the village ballot for trustee in the April 20 election.

Up for grabs this year are three trusteeships for four year terms, and an unexpired two year term.

Incumbents Richard Radke, J. Irving Walsh and Richard O. Burnette are running for reelection on the People's Party. They are seeking the four year terms, while George Bartlett is vying for the unexpired term.

The Village Party candidates for four year terms are Arthur Meierdick, Robert Bemis and Frank Kuechenmeister.

Ronald Vos is listed as the candidate for the unexpired two year term.

Independent candidates for four year terms are Arnold Weber, Mrs. Margaret Nelson, and William Seemann.

The village board Monday night delayed final action on 24-hour dispatch service to see if contracts could be obtained with Lake Villa and Lindenhurst for terms of three to five years.

Trustee Richard Burnette, chairman of the police committee, was requested to go back to the two villages to determine if they would agree to longer contracts. Burnette said Lindenhurst and Lake Villa, except the Lake Villa Fire Department had given oral approval to the 24-hour dispatch plan.

The dispatch service would cost around \$32,000 with Antioch paying around \$22,000 or \$7,000 more than what it is costing Antioch to operate the service now.

This also includes the cost of paying the Antioch Answering Service which takes over answering police and fire and rescue calls after 5 p.m. Monday through Friday and at noon on Saturday and all-day Sunday.

Other costs would be borne by the two participating villages including paying for the telephone lines to the Antioch village hall where the dispatcher would be located.

Burnette said he has not yet contacted the Antioch Fire Department, the Rescue Squad nor the Antioch Fire District about coming into the network.

(See Ballot on this page)

A village supported bus service within the community was proposed Monday night at the board meeting.

The idea was advanced by Village Clerk Marilyn Sterbenz after she had viewed a film on a planned community development about the size of Antioch.

Although her suggestion was opposed in some quarters, she was able to persuade Village Mayor Raymond Toft to appoint a committee to study the proposal.

The mayor named Robert Wilton as chairman, and Richard Radke and J. Irving Walsh.

"The service would be a welcome one to housewives and elderly persons," Mrs. Sterbenz said. "It also will help to alleviate the severe parking problem in the village."

She pointed out that the bus could operate 14 hours a day, six

(Continued on page two)

## Two Fired Policemen Given Permit

Two former Waukegan policemen have been granted a liquor permit to operate a tavern at 912 Broadway Ave., in Antioch.

They are Lt. Pat Quilly and Sgt. John Malloy, who were fired by Mayor Robert Sabonjian when they and 41 other policemen struck to gain recognition of the Cook County Police Association as a bargaining agent, higher pay, and improved fringe benefits.

They have renamed the tavern -Limerick Lounge-and it ties in with the owners' ancestry-Ireland.

The tavern was formerly known as The Office.

Operation of the tavern was taken over Monday night by the former policemen.

Quilly plans to move from Waukegan to Antioch as soon as the current school term is finished.

## Board Hears Plight On Car Traffic

The serious traffic problem in Antioch was reported Monday night by Public Works Superintendent and Fire Chief Charles Mapletorpe.

"It is a real problem around the State Bank of Antioch," said Mapletorpe.

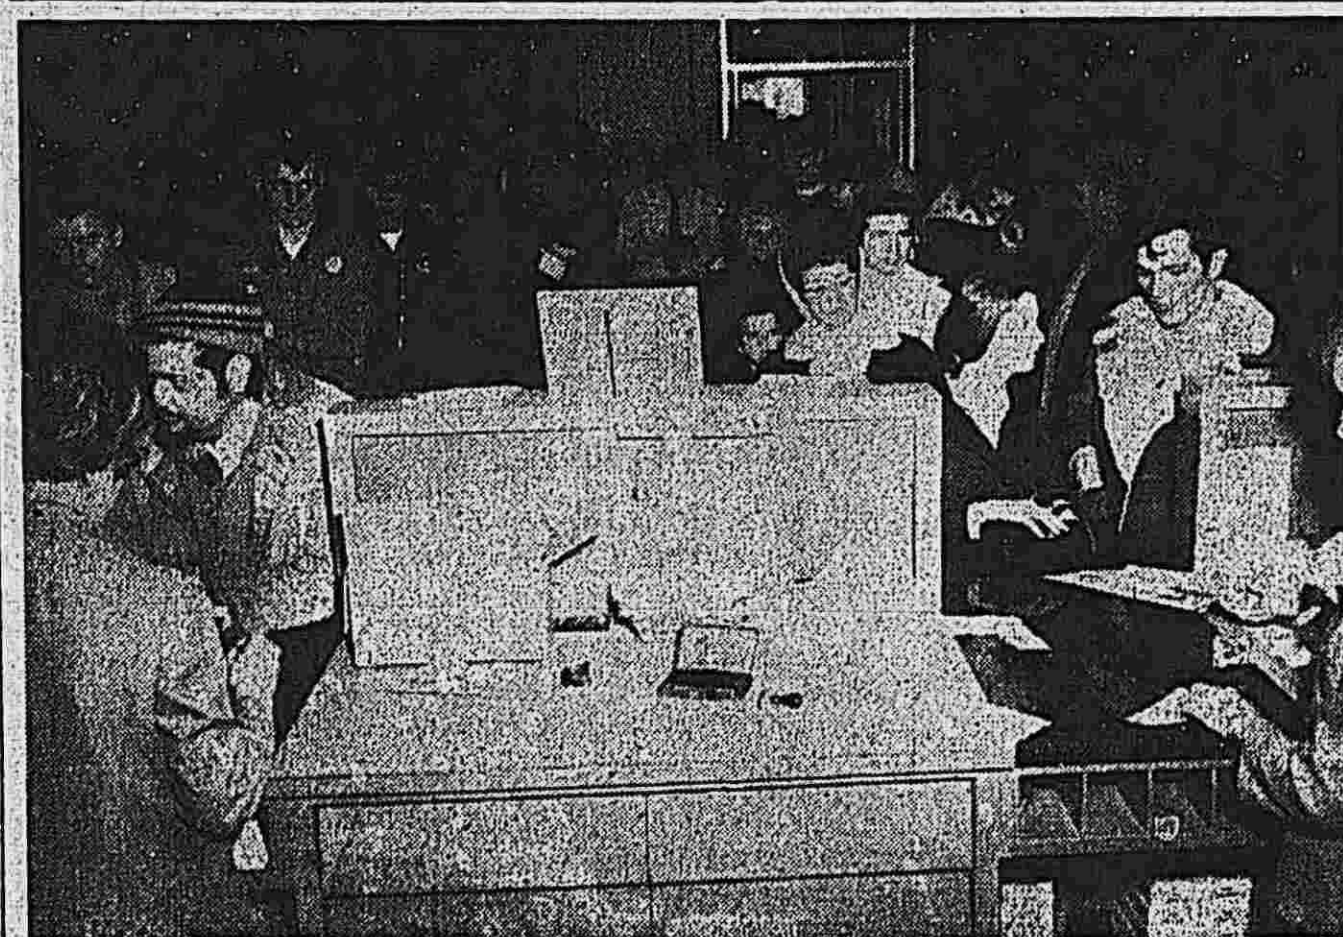

Another place is on Orchard Street especially on Saturdays. "I don't think one of our fire trucks could have got out in the traffic bottleneck," he said.

Village Mayor Raymond Toft agreed with Mapletorpe. "I think we need some one way streets during certain periods of the day," he said.

He said there may be a solution if the village is able to take over Rte. 59 (Lake Street).

A meeting had been planned with state officials but a realignment of the department forced cancellation of the scheduled conference Monday night.

The village has proposed taking over Rte. 59.

This was the last minute crowd of motorists who converged on the State Bank of Antioch Saturday to beat the Feb. 16 deadline for displaying 1971 auto plates. The bank sold more than 10,000 plates since December and more than 1,000 on Saturday. The two clerks were busy throughout the day.

## Board To Reconsider A-Mart Expansion Plan

Antioch village trustees were asked Monday night to reconsider their previous decision and lift the restriction on a 99 year lease to allow A&P to expand its A-Mart Store in the Antioch Shopping Plaza.

The plea was delivered by Fred Walpole, president of the Antioch Savings and Loan Association, who urged the trustees to look at the proposal offered by the food chain a second time.

The A&P wants to add another 10,000 square feet on the east side of its present building in the shopping plaza.

"A&P needs to expand the Antioch store," he said. "The expansion is not for the present, nor five years away, but in the next 15 to 20 years when it will be necessary to have the added space."

The space where the food chain wants to build the addition is restricted to parking under the long

agreement. In return for lifting the ban, the food chain would pay for the appraisals of property in the village wants to condemn around the village parking lot to get added parking spaces.

The property includes the four houses on the south side of Orchard Street, the old roller rink, a lot owned by Dr. Al Bucar and

the Chinese restaurant. Estimated cost of the appraisal is around \$3,500.

The food chain in addition to paying for the appraisals agreed to payment equivalent to the same amount of space being eliminated for parking or about 4,500 square feet.

Price per square foot would be

(Continued on page two)

## State Awards Two Applicants: \$63,401

Within the past week two grants totalling \$63,401 have been awarded Lake County applicants by the Illinois Law Enforcement Commission. One grant was to the Young Men's Fellowship of Lake County, Inc., in an amount of \$54,000 to strengthen and professionalize the currently operating Half Way House at 32 North Ulica street, Waukegan.

The Half Way House is a part of the criminal justice system and provides a home and rehabilitation program for young men referred to this organization by Judges of the Nineteenth Judicial District. The funding by ILEC is 60 per cent of the total cost for a period of one year.

The 40 per cent balance, \$36,000 will be supplied by the grantee, who will raise this money by donations and various other means.

There was an open house at the Half Way House, to show how this program, strongly approved by the Courts, works.

## Miller Praised In Burglary Case

Film Charles A. Miller of the Antioch Police Department was praised for his help in solving the burglary of the Benedictine Monastery at Benet Lake by the Kenosha County Sheriff. The burglary occurred Dec. 23.

## Chamber Plans B-E Day

Grant Spong, president of the Antioch Chamber of Commerce, presided over the informal general membership meeting at Frostee Foam.

The members met to establish goals and areas of special interest for 1971.

The Chamber plans to establish a Business - Education Day that will be correlated between the business community and Antioch High School.

Other areas of primary concern are the establishing of an active Legislative Committee with local, state and federal issues being considered, and a Civic Relations Committee that will be kept cognizant of village affairs and will offer the village their services in areas where the Chamber can be of assistance.

The chairman of this year's village pride and beautification committee, Lew Simon and Bob Wilton, presented before and after sketches of a portion of Main Street and depicted a village beautification project.

Store front improvements and tree planting projects were suggested. This project will be presented to the local merchants for their consideration.

Since Pollution Control should be of vital interest to every individual, it was recommended that

(Continued on page two)

## Rotary Wild Game Dinner Is A Success

About 300 persons attended the second annual wild game dinner sponsored by the Antioch Rotary Club at Lorenz's Smart Country House.

Rotary officials termed the event "a success" and promised a bigger and better wild game dinner next year.

Success of the event was traced to the many members who contributed their spare time in working toward that goal.

Special thanks was given Chairman and Mrs. Jack Heick in preparing the dinner and Gene Zanini for also preparing the dinner.

Ticket chairman was Vern Thelen and Carl Abbate arranged for the appearance of the Scotch Lads Orchestra which provided music for the dancing.

A highlight of the night was the presentation of a rifle to LaVerno Woods, president of the First National Bank of Antioch.

## Death Claims Hotel Owner, Contractor

Chris T. Mortensen, 64, of 421 Orchard St., Antioch, died Feb. 12 in Victory Memorial Hospital, Waukegan after a lingering illness.

He was born in Egle Soc-Pr-Skive, Denmark, Jan. 29, 1887 and had lived in Antioch since coming to America.

Mr. Mortensen had owned and operated the Mortensen Hotel in Antioch for many years and was also a retired general contractor.

Survivors are his wife, Betty (nee Sorensen), two sons, Kenneth and Robert Mortensen, both of Antioch; a daughter, Mrs. William (Eleanor) Goetz of Chicago. Ten grandchildren and seven great-grandchildren also survive.

Funeral services were held Monday at Strang Funeral Home, Antioch. The Rev. Philip Laurin of St. Stephen Lutheran Church of Antioch officiated. Interment was in Hickory Union Cemetery, near Antioch.

## Antioch Lions Club To Fete Past Presidents

The Antioch Lions Club will honor its past presidents Monday, Feb. 22.

Club officials said, "It will be a special event because each past president will recall noteworthy happenings of his administration."

All members are encouraged to attend the meeting and bring guests. Cocktail hour will begin at 6:30 p.m. and dinner will be served at 7:30 p.m.

The event is scheduled for Lorenz's Smart Country House.

Among the past presidents are Edmund Vos, 1939; Walter I. Scott, 1939; Dr. David Deering, 1940; O. E. Hachmeister, 1941; Robert King, 1942; George Wagner, 1943; Vos, 1944; George Joedicke, 1945; Harry J. Krueger, 1946 and 1947; Roman Vos, 1948.

Edward Jacobs, 1949; William Brook, 1950; Irving Carey, 1951;

Robert J. Wilton, 1952; Loren Sexauer, 1953; Homer LaPlant, 1954; Ted Larson, 1955; Norman S. Jedele, 1956; Dr. James Kopiva, 1957; Albert Dittman, 1958; Joe Patrovsky, 1959.

George Hawkins, 1960; John B. Fields, 1961; Dr. Albert Bucar, 1962; Leonard Roblin, 1963; Tom Haviland, 1964; Maynard Schneider, 1965; William Seemann, 1966; Dan Dugenske, 1967; Ward Lear, 1968; Jim Olson, 1969; and Jim Fields, 1970.

## EDITORIAL

## Those Woes

Being editor of a smalltown newspaper is not the most desirable job in the world, unless you are a glutton for punishment. There are constant pressures. That means, among other things, daily deadlines (yes, even for a weekly) and everything has to be done in a hurry.

As for financial reward, only a few really make it and we seldom advise youth to enter the field unless they are really dedicated and cope with the inherent perplexities.

This does not mean that the newspaper business is completely unrewarding, because there is a certain satisfaction in doing any job well.

There is humor in the work and something pops up almost everyday that is good for a laugh, even though it may not be funny to everyone involved. A lot of it comes from the fact that most people feel strongly, one way or the other, about having their name in the paper.

Here are a few typical examples of a number of ways to spoil an editor's day:

"Please put it on the front page."

"Use the story just as I have written it. The club wants it for the scrapbook."

"You've got to come to our annual banquet tonight. There will be plenty free to eat and drink. Oh, yes, don't forget to bring your camera."

"You misspelled my daughter's name and I want a correction on the front page."

"If you put my son's name in the paper I'll sue you. He's not guilty of burglary and grand larceny. Those other boys made him go along."

"You left the socials out of last week's paper. That's the only reason why I subscribed."

"We voted to make you our publicity chairman."

"Please don't put my husband's name in the paper. It will be mighty embarrassing to me when everybody finds out he was out with another woman when he was arrested for being involved in a highway accident. No, I didn't know two people in the other car were critically injured."

"I know it's on a Sunday, but it's our annual reunion and someone ought to cover it."

"My uncle's brother is a big advertiser and I was wondering if..."

"I'll try to get my ad in before the deadline next time."

"You're playing favorites with my opponent in this race. Among other things, you're placing his ads in the best positions on the best pages."

"Where did you get your information? We didn't want that in the paper."

"Our club isn't getting as much publicity as other clubs in this town. What have you got against us?"

## Good News

The nation's press, so some people say, never plays up good news. Well, that's not really true, as we are about to prove to you.

For the first time since 1967, U.S. traffic fatalities and injuries have shown a decline. We think that's great news, and we're happy to share it with you.

The traffic death toll for 1970 was 55,300—or 1,100 less than the previous year.

That may be a small reduction as measured in percentages, but it proves to the American people that the toll can be cut despite the increasing number of cars on the road.

Improvements in the traffic toll have occurred briefly in the past only to be cancelled by a reversal in trend. We must be sure that this doesn't happen.

We should all be encouraged to become more safety conscious. Let's continue to reduce the toll. Keep the good news coming.

## ALONG THE WAY with Annie Mae

## ACTIVE CHAMBER MEMBERS

Did you know that Grant Spang, Ray Toft, George Hahn and Joanne Shute visited with Governor Ogilvie and others of our State Legislators last Tuesday? They also attended a State Chamber of Commerce luncheon and meeting in Springfield.

## GET WELL WISHES

To Elaine Palm who is recuperating at home after recent surgery.  
Bruce Price is in Condell Hospital recovering from surgery this week.

## State Awards Two...

(Continued from page one)  
of supervisors, members of police departments, court bailiffs, clergymen, press and radio representatives and in fact the general public is invited to attend the open house.

The other grant was to North Chicago, under Project Action Now, for equipment requested by Chief of Police Edward Chrapkowski for the police department. North Chicago's Mayor, Leo F. Kukla and Chief Chrapkowski today received notification from John F. X. Irving, executive secretary that ILEC will pay \$9,401, 75% of the \$12,534, equipment cost. Thus North Chicago will only have to pay \$3,133, or 25 per cent.

The equipment will consist of portable radios which will have four channels, battery chargers and extra batteries. This will enable the station dispatcher to contact policemen on duty other than in squad cars at all times and thus make for a 24 hour dispatching service.

The financing of these programs by the Illinois Law Enforcement Commission is being done as part of Gov. Ogilvie's intensified drive against crime in Illinois.

The Commission was created by Gov. Ogilvie's first executive order in January 1969 and is responsible for both planning and financing improvements in the state's criminal justice system. In that executive order the governor directed ILEC to "improve and strengthen state and local law enforcement and to promote closer cooperation among federal, state and local agencies concerned with law enforcement and juvenile delinquency control."

The Lake County Law Enforcement Committee was established in May of 1969. As of Feb. 8, a total of \$359,834.44 has been awarded to 53 applicants in Lake County by the Illinois Law Enforcement Commission. Some of the funding was 100 per cent; some on a 75-25 per cent basis; some 60-40 per cent; and one construction project, 50-50 per cent.

Funding went to the County Law Enforcement Planning Committee for operating purposes. Grants were awarded for police management studies, equipment for police departments and the county sheriff's office, Laboratory crime training, establishment and equipment and training for a bomb and arson squad, construction work, drug programs and training of police personnel.

Three applications for equipment funding on a 75-25 per cent basis, which were rejected earlier, have been revised. The applicants are: Wauconda Police Department — \$9,955.05; Lake Zurich Police Department — \$7,365.16; Round Lake Beach — Round Lake Park Police Departments, combined — \$9,965.32.

The three revised applications were approved by the Local Committee and are now being reviewed by staff members of the Illinois Law Enforcement Commission.

Providing these grants are made, which is anticipated, it will result in awards to 56 applicants, totalling \$277,119.97. Providing a Supplemental grant is made, as expected, for the Planning Committee operations, the new county figure in awards by ILEC will exceed \$400,000.

## Chamber Plans...

(Continued from page one)  
the Chamber of Commerce initiate a program to educate the residents of the area as to the personal responsibilities of the individual in respect to pollution control.

Each Chamber member will also be urged to write to their legislators supporting pollution control legislation.

A report was given on the progress of the Countryside Hospital, and it was suggested that the C of C Board consider making a resolution on behalf of the Chamber members in support of the proposed hospital program.

The subjects under discussion at this meeting will be referred to their respective committees for consideration and action.

## COMING EVENTS SATURDAY

I've been hearing great things about the P. M. & L. coming production of "Barefoot in the Park," which opens this Saturday.

Also on tap for Saturday is the Antioch Community High School Fine Arts Winter Concert.

## SNOW FAIR

The warmer temperatures and Tuesday night's rain have caused great mental agony to the snow-mobilers. But don't worry too much, friends, there will be more snow presently.

## THINK SPRING

Did you see the sign on one of the business doors which says to Think Spring, and then numbers the days, concluding with "Eat your heart out." Well, we can dream, can't we?  
Dreaming away.

## Village Bus Service...

(Continued from page one)  
days a week and could circle the community once an hour bringing passengers into the downtown neighborhood.

"There are so many senior citizens who would like to visit their friends in other parts of the community, but are handicapped because they don't drive or their pension checks are not adequate in size to allow them to hire a cab."

She said, "I believe some of the money the village is getting from income tax could be used in purchasing a bus and financing the program."

"I believe people would be observing what their tax money is being used for instead of being sunk beneath concrete for sewers," she said.

She was apologetic to Public Works Superintendent Charles Mapleshorpe, who was in the audience, when she made the comment about sewers.

"Just wait until it rains, and then the people will scream," said Mayor Toft.

Mayor Toft inquired of Mrs. Sterbenz if she knew the cost of operating a bus.

But, Trustee Radke thought the proposal was "a good idea." Mrs. Sterbenz thought that the size of the bus would be about the same as the ones that operate at O'Hare International Airport in shuttling air travelers from the parking lot to the terminal.

"I believe we should charge a fare, possibly 15 cents or more," she said.

Walsh and Wilton thought that the bus plan should be explored with the Antioch Chamber of Commerce.

The mayor said that inquiries should be made on the cost of leasing a bus, insurance, and the purchase.

The service would only include Antioch.

## Board To Reconsider

(Continued from page one)  
in the neighborhood of \$2.

Walpole reminded the trustees that the A-Mart is one of the biggest contributors of sales taxes in the village.

One of the objectors to the proposal offered by Walpole was George Bartlett.

"I don't believe it is enough," said Bartlett. "It is a key piece of property and calls for a heavier settlement."

Bartlett reportedly is holding out for about \$20,000 as a settlement.

Richard Radke, whose motion two weeks ago doomed the A-Mart's proposal said he would like to see the appraisals on the property which were due Wednesday.

"The offer would be based on the appraisals," said Walpole.

Trustees agreed to take another look at the food chain's proposals after they have had a chance to study the appraisals Tuesday, Feb. 23.

A decision is expected then to be made at the special meeting called to discuss a pre-annexation agreement of 27 acres for the proposed development north of Antioch near the new school building.

## Bar Association Operates Statewide Referral Service

If you had a legal problem and didn't know a lawyer, where would you turn for help?

A perfect solution would be to contact the Illinois State Bar Association's Lawyer Referral Service.

This office was established last June to help Illinois residents who can afford to pay a reasonable fee for legal services find a competent lawyer. Illinois is one of only a few states to operate this type of service on a statewide basis.

The ISBA recognized that there are a variety of reasons why some people are reluctant to contact a lawyer. Many are not personally acquainted with a lawyer. Others are not aware that a lawyer can be an integral part of their lives, like the family doctor, dentist or minister. Some are afraid to approach a lawyer because they don't know how much he will charge. Other people are not sure their problem is a legal one until it is too late, and many times new residents haven't as yet had a chance to locate a lawyer in their community.

Whatever the reason for the

hesitation, ISBA's statewide Lawyer Referral Service was established to alleviate some of these common problems. When people wait too long before they seek advice of a lawyer, problems often become more complex and result in expensive litigation.

Many local bar associations operate their own referral services. The ISBA's statewide program is designed to serve those areas of the state in which a formalized service does not exist. It operates from ISBA headquarters in Springfield.

If you want the name of an attorney to assist you with a specific legal problem, you may call the toll-free number 800-252-8916 in Springfield. The office is open 8:30 a.m. to 5 p.m., Monday through Friday. A receptionist will ask you the city in which you reside and to briefly explain the nature of your problem. This information is kept in the strictest confidence. The receptionist then will furnish the name and telephone number of an attorney in your area. If there is a lawyer referral service already in operation through a local bar association,

the receptionist will refer you to that number. You then set up your own appointment date and time.

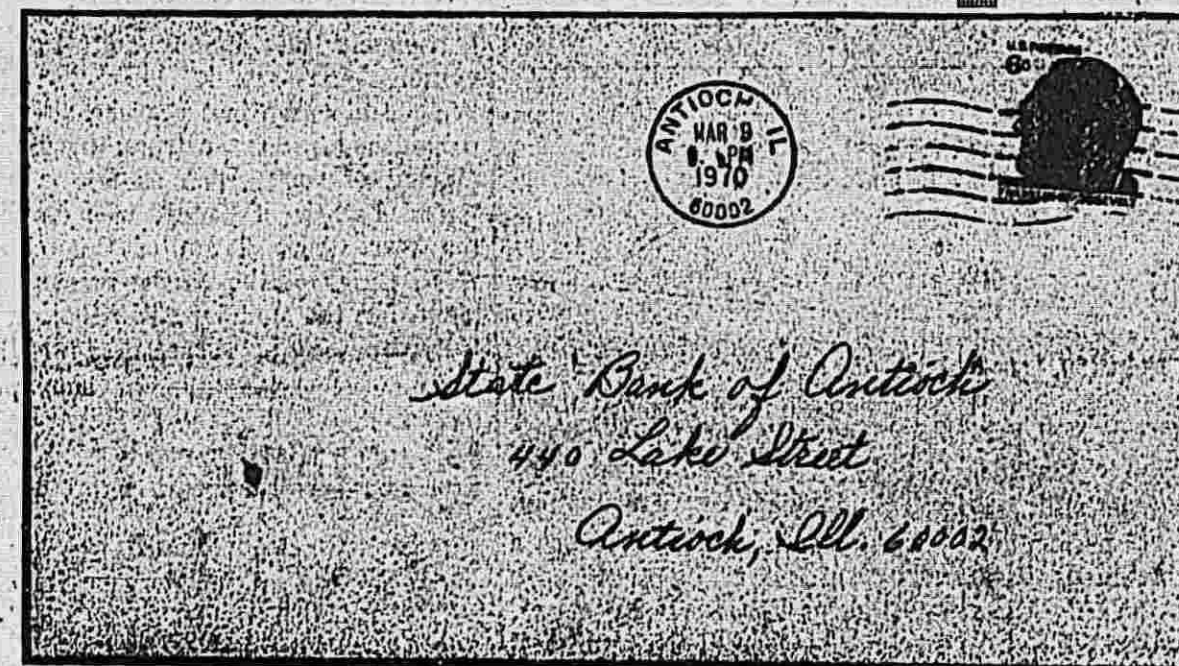

The first half-hour session with the attorney will cost no more than \$10 and you have no further obligation to retain the attorney for additional services unless you wish to do so. Some people find a solution to their problems during their first interview. If you decide to retain the lawyer for additional work, you should discuss his customary charges for future work.

ISBA spokesmen stress that this statewide referral service is not a free legal service bureau for persons who can't afford attorneys. The service is designed to help individuals and families who require private legal assistance.

The administrative costs of the program are paid by participating lawyers. All those enrolled in the program are members in good standing of the Bar of Illinois. Their names are arranged alphabetically and are given out on a rotating basis.

If you would like more information on the Lawyer Referral Service, write for a free copy of the pamphlet, "Do You Have a Legal Problem?" Send a self-addressed, stamped business-size envelope to Illinois State Bar Association, Illinois Bar Center, Springfield 62701.

## First State Crime Figures Released

Gov. Richard B. Ogilvie has released the first official report of Illinois crime statistics in the history of the state.

The report, "Crime in Illinois—1969", is a pilot survey of criminal activity for that year and marks the first phase of implementing Illinois Uniform Crime Reporting system, Ogilvie said. The report was made possible through funding from the Illinois Law Enforcement Commission.

Legislation requiring mandatory crime reporting for all Illinois law enforcement agencies was passed by the first session of the 76th General Assembly.

The legislation prescribed that the Illinois Department of Law Enforcement "shall be the central repository of crime statistics for the state," the governor noted. He continued:

"This document represents the first step by the department toward establishing a uniform crime reporting system for Illinois. Effective management of our law enforcement establishment in Illinois, on local, county and state levels, is dependent on the same premises that lead to effective management of any enterprise. And the most important of these premises is the fast collection and dissemination of accurate and relevant information."

Law Enforcement Director Herbert D. Brown said any attempts to draw conclusions from the statistics in this first report must be made with caution. This report, he said, relies heavily on data now being reported to the FBI by Illinois law enforcement agencies for the FBI Uniform Crime Report.

"This is the first report, and we must acknowledge that there is room for improvement," Brown said. "For one thing, only 278 of more than 800 law enforcement agencies are represented in the report. All the major agencies are represented, and during 1971 the department will exercise its statutory authority to require every police agency in the state to participate in the study, resulting in a more comprehensive annual publication."

The department's bureau of identification, headed by Supt. Gary D. McAlvey, is responsible for putting the crime reporting system into effect. Under the new program, local agencies periodically will report criminal statistics to the bureau, which eventually will act as the state reporting agency for Illinois to the FBI, Brown said.

Using 1965 as the base year for all computations, the report shows the state's overall crime rate increased 38 per cent, compared to a 63 per cent increase nationally and a 65 per cent increase in the four neighboring states of Indiana, Ohio, Michigan and Wisconsin. These states, including Illinois, make up the East North Central Region.

Two major categories, which include seven crime classifica-

## Civic League Plans Awards In April

The Lake County Civic League has set April as the month for its annual meeting.

Glenn Reinier, league president, said a date will be announced soon.

Reinier also said, "The annual meeting is the occasion when the Jack Sams Award is made to outstanding, dedicated individuals in the field of public service."

"At the same time the league bestows its 'citizen's award' on community leaders not in public service but known for their untiring efforts to serve their fellow men."

## Eagle Scout Award...

(Continued from page one)

He started and finished his Eagle service project which consisted of mapping the outside boundary of Camp Makagawan (1500 acres).

This he hiked and marked three times, first just hiking, second with compass and tape measure, the third to put trail markers on trees, etc., on extremely rough terrain.

In December 1970 he went in front of Eagle Board of Review and passed.

tions, were used to establish an index of crime in order to measure trends and crime distribution. One category, violent crimes or crimes against persons, consists of murder, forcible rape, robbery and aggravated assault. The other category, property crimes, consists of burglary, larceny over \$50 and auto theft.

Compared to the national index, the Illinois crime index since 1965 is significantly lower in every classification except murder, Brown said.

In 1969 burglary represented 42 per cent of the property crimes committed in Illinois; larceny, 22 per cent; and auto theft, 27 per cent.

Persons arrested for burglary under 18 years of age represented 53 per cent of reported burglaries in 1969, while persons 18 years and older accounted for 47 per cent, according to the report. Persons arrested for auto theft under 18 years of age accounted for 39 per cent of the total auto thefts and ages 18 and over, 61 per cent. The age group under 25 years of age represented 81 per cent of the arrests for auto theft.

## Scott Rules County Can Regulate Races

Attorney General William J. Scott in an opinion said today that county boards have power to regulate automobile races. Scott's opinion covered motor vehicle stunt events as well as races.

He advised State's Attorney Dexter A. Knowlton of Stephenson County that written permits may be required. Failure to secure a permit may result in a fine up to \$200. Similar fines may also be imposed for other violations of the ordinance.

The Attorney General said that county boards may require liability insurance for bodily injury or property damages and can regulate the hours of racing. The Stephenson County State's

Attorney also was told by Scott that race and stunt event promoters can be required to get a certificate from the county health department stating that all state and county sanitary and health regulations have been complied with.

## Here's Guide In Sending Telegram, Money Orders

Here's what you do to send a telegram. Dial 395-1500.

For money order service, State Bank of Antioch, 440 Lake St., Antioch.

The service is available Monday, Tuesday, Thursday and Saturday from 9 a.m. to 3 p.m. and Friday from 9 a.m. to 6 p.m. and 6:30 p.m. until 8 p.m. The service is closed on Wednesday.

## Four Antioch Girls To Appear In Style Show

Four Antioch ladies will help model the fashions from The Red Door at the fashion show held for the benefit of the Antioch Mental Health Association. Kay Costoff, Phyllis Bucar, Pat Lorenz and Irene Hahn will model gowns suitable for wear at the Cotillion.

Tickets are available at The Thrift Shop, State Bank of Antioch, association members, or call 395-1152. The show will be held March 3 at 8 p.m. at Lorenz's Smart Country House.

## Garden Club To Hear Book Review

The Antioch Garden Club presents Mrs. George D. Wardle who will give a book review of "Wings at My Window" on Monday, Feb. 22, at 12:30 p.m. at the Antioch Savings and Loan community room. This will be a guest day. Call 395-0171 if you plan to attend. Hostesses are Mrs. Anthony Mingarelli and Mrs. John Preston.

## Mothers' Club Sponsors Dinner

Carmel High Mothers' Club will sponsor a "Mostaccioli Dinner" Feb. 28th, from 2 until 7 p.m. in the high school cafeteria. The public is invited. Carmel is located in Mundelein.

## Edison To Start Work On New Sulfur Removal Project

Commonwealth Edison Company announced today that construction of a \$7 million air cleaning unit designed to remove both dust and sulfur dioxide from chimney emissions will be started this spring at Will County generating station near Lemont, Ill.

Edison Chairman J. Harris Ward said the process, believed to be the largest of its kind ever installed, will be completed by the end of the year. He said the system is expected to remove 99 per cent of the fly ash and over 80 per cent of the sulfur dioxide from chimney gases.

"This will be a full-size plant to demonstrate the feasibility of eliminating both sulfur dioxide and particulate fly ash from chimney gases," Mr. Ward said. "If successful it will enable us to use Illinois coal on a regular basis in any boiler fitted with such purifying equipment."

Babcock & Wilcox developed the system and will furnish the necessary equipment, with Bechtel Corporation as the engineer-designer.

The process will use a wet scrubber in combination with a pulverized limestone slurry to clean up emissions from a 176,000-kilowatt power generating unit at the Will County station. It will be able to treat about 770,000 cubic feet of flue gases per minute.

The sulfur removal project is the second to be announced by Commonwealth Edison in recent months. Work is already under way on the other process, a \$4 million pilot plant at State Line station in Hammond, Ind., which is designed to recover a marketable grade of sulfur from stack gases.

The sulfur removal installations are part of a Commonwealth Edison Company environmental program which will cost the company approximately \$285 million by 1975, according to Mr. Ward. He said about \$120 million has already been invested in the Edison program to improve both air and water quality.

## Municipal League Membership Paid

The Antioch Village Board Monday night approved the payment of \$176 to cover the village's membership in the Illinois Municipal League. Mrs. Marilyn Stierbenz, village clerk, said the membership fee increased \$40.

## Girl Scouts To Sell Cookies

The Lakeview Girl Scout Council was given permission to sell Girl Scout cookies March 5 through the 14th by the Antioch Village Board.

Delivery of the cookies will be made in late April and early May.

## Bucar Appointed To Health Group

Dr. Jack I. Smith, director of the Lake County Health Department, has been named to head a health services planning committee to study problems in the county. Also on the committee is Dr. Albert A. Bucar, Antioch optometrist.

## Secretary of State Collects \$614,432

Secretary of State John W. Lewis has announced that \$614,432.29 was collected by the Corporation Division in January. New corporations incorporated and licensed in Illinois totaled 1,108 in January, a decrease of seven from the 1,115 new corporations in January of last year.

## Pamela Polzin Named To NMSU Dean's List

Pamela Polzin, Petite Lake Lake Villa is on the Dean's List of New Mexico State University, Las Cruces, New Mexico. She is a Junior majoring in Home Economics. Pam is the daughter of Mrs. Evelyn Polzin and a 1968 graduate of Antioch Community High School.

A minority business firm will manufacture 114,144 American flags under a VA contract.

## RUBBER STAMPS

Rubber Dies Ready Same Day Wholesale & Retail Title Block, Diagrams and Complicated Ruled Stamps Our Specialty

NAFZGER'S RUBBER STAMP CO. Mail or Phone 546-1607 P. O. Box N 424 N. Clifton Round Lake, Ill.

"Barefoot in the Park" opens Saturday night at the PM&L Theatre, 877 Main St., Antioch. The performance will be repeated Feb. 26 and 27 and March 5 and 6. Among those with parts are Suzi Burns of Fox Lake and Hank Apostol of Antioch. Others with roles are Gary Richter, Shirley Jensen, Gerald Pittera, and Paul Biel.

## Surprise Marks Meeting

Antioch Woman's Club enjoyed a pleasant surprise in an unscheduled program at the club rooms when Mrs. George Hahn, program chairman, introduced Fred B. Holbert, auditor at the State Bank of Antioch and P.M. and L. director, and Florence Babusek of Wadsworth, former first runner up in the Miss America contest, in a medley of sentimental songs.

They were accompanied on the piano by Mabel Lou Weber of Oakwood Knolls, and their performance proved that local talent can far outshine the professionals.

## Drivers Urged To Sharpen Their Driving Skills

Lake County motorists are urged by Director Jerry Klebe of the Lake County Safety Commission to sharpen their winter driving skills for the snowfall still to come.

"Many drivers tend to slack off on their driving skills toward the end of a long winter and can get caught unprepared in severe driving conditions," Klebe said. He reminded motorists that during late February late winter snows are likely to cover highways with ice and packed snow making driving hazardous.

"Don't pack away your tire chains too soon," he cautioned. He also suggested that snow tires will be useful later during the muddy conditions of spring.

Klebe warned drivers to be sure and watch carefully for ice patches on highways and streets — patches that may suddenly throw an auto out of control.

"Slow and safe driving will prevent a sudden spinout that could be fatal," he said. He suggested that Lake County drivers have their cars rechecked for anti-freeze, a tune-up, battery care, brakes, mufflers, windshield wipers and lights.

Klebe also reminded motorists that seat belts are needed in all weather conditions and particularly during winter.

The nuthatch was named for its habit of jamming nuts into a crevice and then cracking (hatching) them with repeated blows of its strong pointed beak.

## Plumbing Class Set For Friday

The first of a series of classes in rudimentary plumbing, plumbing code interpretation, and drainage and venting theory for plumbers and building inspectors of the County of Lake and County of McHenry will be held Friday, Feb. 19.

The classes will be sponsored by the Plumbing & Heating Contractors Assn. of Lake and McHenry Counties and Plumbers Union Local 93 and will be held at the Plumbers Union Building, 100 N. LeBaron St., Waukegan.

Instructors for the classes will be L. E. (Ozzie) Koetz, of Koetz & Barton, Inc., Zion, and former president of the Contractors Assn., and Ronald P. Short, secretary-treasurer of Local 93, and Greg Streb, of Sherman Plumbing & Heating, Crystal Lake.

"If these classes for the county inspectors prove beneficial we plan to sponsor similar classes for municipal inspectors," Buck added.

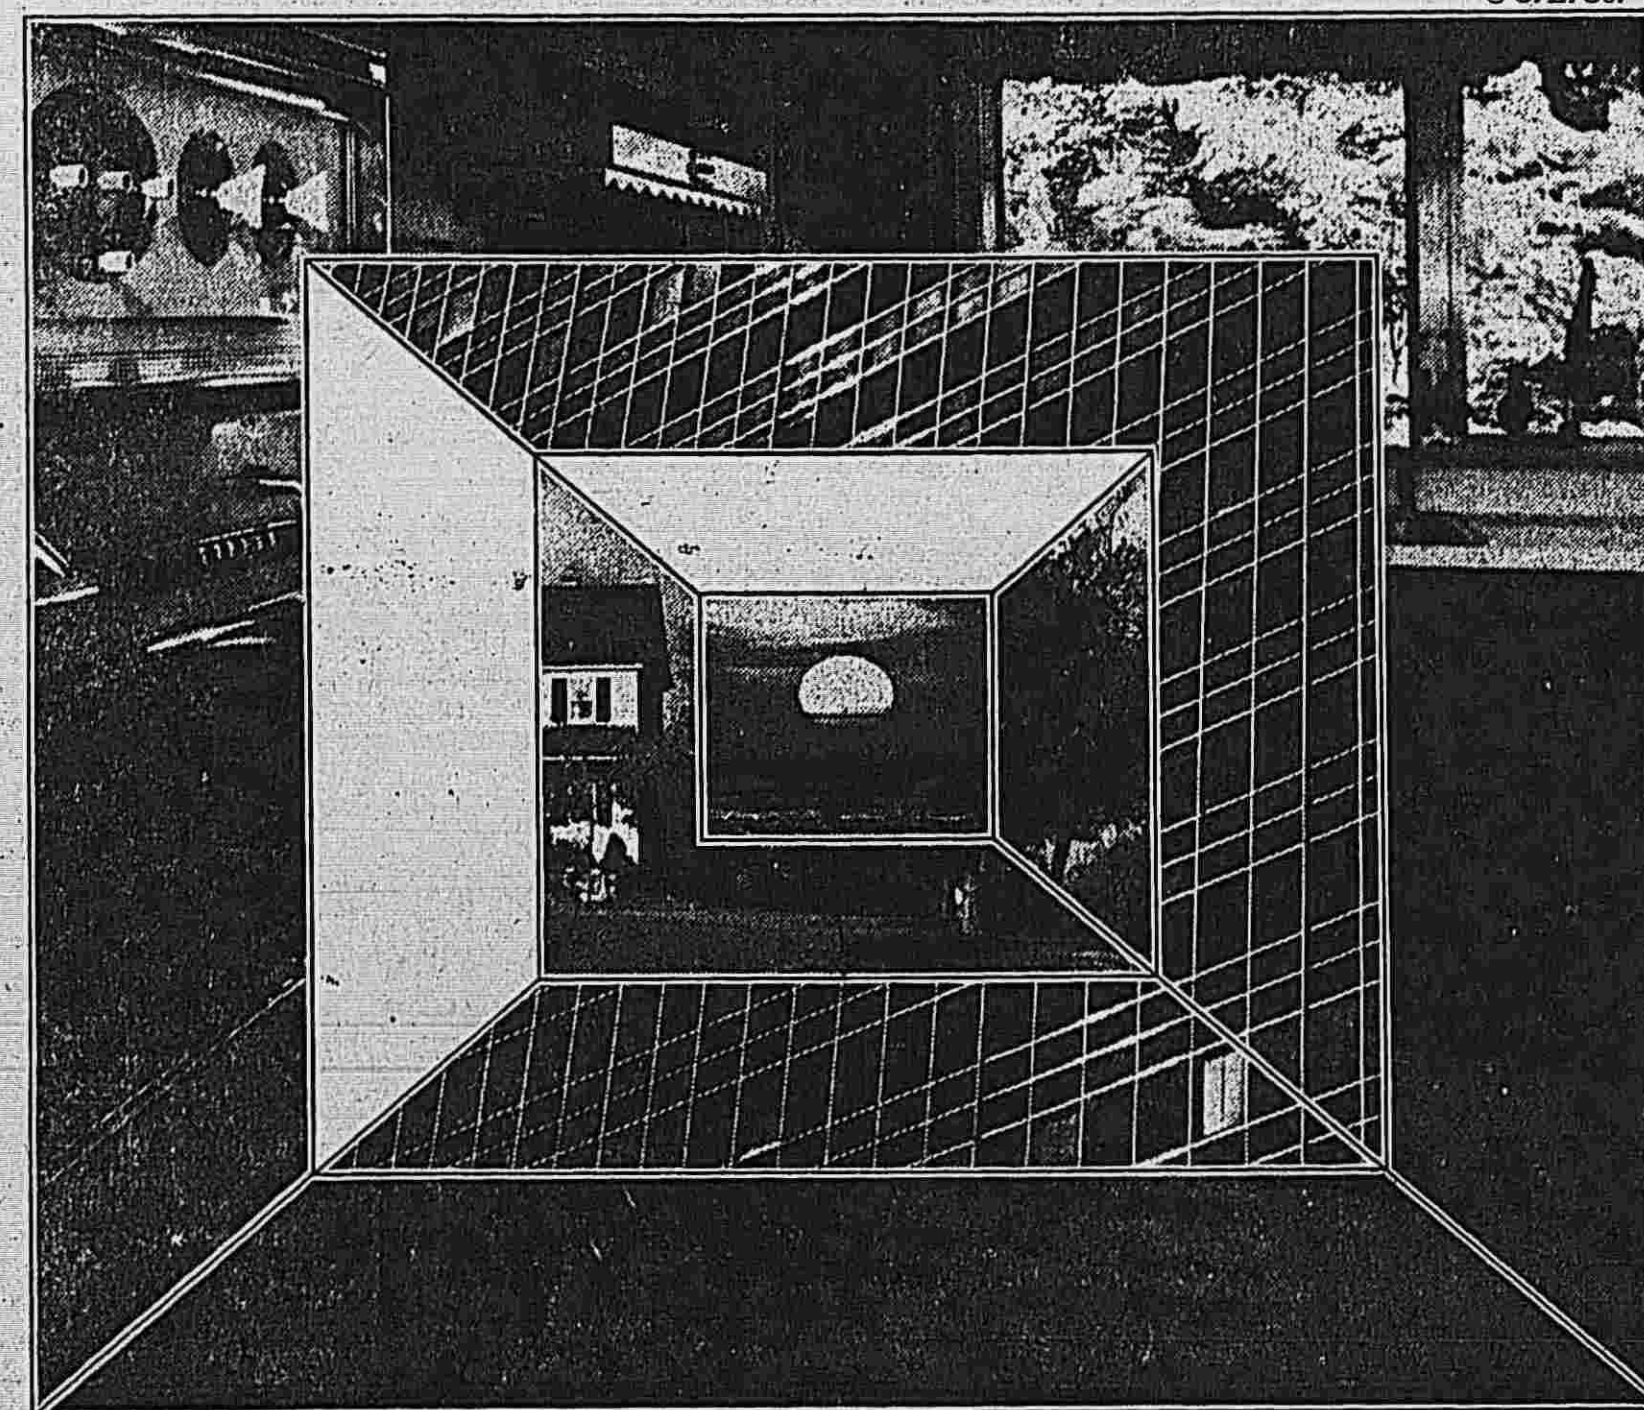

Does it mean conserving Mount Shasta, Lake Erie, and the Everglades?  
Or cleaning up the air and the water?  
Or keeping chewing gum wrappers in your pocket?  
Environment is much more than mountains, forests, and rivers.  
Environment is each little world every person spends his life in, his shop, office, kitchen, corner store.  
Environment is the small as well as the big-as-all-outdoors.  
Commonwealth Edison is concerned about both parts of the environment—the big and the small. You may already be familiar with the facts about the coal boilers we've retired, the new fuels we've been using, and the fumeless, clean, nuclear plants

we have in operation or under construction.  
And, of course, you're familiar with the important things electricity does when you turn on a light, or go to an air-conditioned theater, or have need of a hospital.  
While we are working on ways to help clean up the air and the water, we're also involved in all the things that people use to make their worlds easier, healthier, more comfortable, and just a little brighter.

Mr. and Mrs. Richard Maston

## Double Ring Ceremony Unites Antioch Couple

Wendy Ann Lindblad of RFD 4, Bix 43, Antioch, and Richard Maston of RFD 1, Box 774, Antioch, were married in a candle-light service Feb. 12 in the Antioch United Methodist Church.

The Rev. Donald Cobb officiated at the double ring ceremony. The bride, daughter of Mr. and Mrs. Robert Lindblad, wore a dress of delustrated satin with attached train, and stand-up collar, full lace sleeves and bodice of lace. Her headpiece was a rainbow crown with fingertip veil.

The bride carried a Rainbow Bible with white orchid and stephanotis.

Maid of honor was Susan Lindblad, the bride's sister. Other attendants were Robin Lindblad, the bride's sister, and Linda Borak, the bridegroom's sister.

Best man was Ray Lindblad, uncle of the bride. Also in the wedding party were Richard Byrne and Thomas Kerstan, the bridegroom's brother.

Flower girl was Linda Esser. Judy Sommerfield was the soloist accompanied by Mabel Lou Weber, organist.

The bride is a graduate of Antioch High School, and is employed at Abbott Laboratories. Her husband, the son of Mrs. Frieda Kerstan, RFD 3, Box 252A, is employed at the Larson Marine Service, Waukegan.

A reception was held for about 100 guests in Wesley Hall located in the church.

After a trip to the Ozarks, the couple will be at home after Feb. 20.

## 4 From Antioch Finish Workshop On Sewing Machine

Four Antioch 4-H Sewing Leaders received instructions on "Know Your Sewing Machine" at a February Leaders Workshop, taught by Mrs. Barbara Dahl, Associate County Extension Adviser in Home Economics.

The 3-day sessions were designed to acquaint volunteer 4-H leaders with methods of teaching 4-H members the best use of the sewing machine and its attachments. Among techniques mastered by the group were sewing on special fabrics such as piles, knits and lingerie; welt and flat felled seams; buttonholes and zippers.

Those attending all three sessions received a certificate of merit from Singer Company, a national sponsor of the 4-H project, Mrs. Dahl explained.

Antioch women receiving a certificate of merit for completing the training were: Mrs. Charles Auxier, Antioch, Antioch Chiefs and Squaws, Mrs. Nancy Rentner, Antioch, Sequoit Suzies, and Mrs. Andre Meuter, Antioch, Antioch Adventurers, and Mrs. Vasek, Antioch, Antioch Chiefs and Squaws.

## Sequoia Warriors Tour Police Station

The Sequoia Warriors combined their last meeting with business and projects.

The 4-Hers toured the Antioch Police Department, learning how the department functions to protect the Antioch residents.

After the tour, the members conducted their business meeting. Refreshments were served by Mike Calthamer, Rickey Larsen, and James Springer.

The white-breasted nuthatch is gray above and white below, and patrols the trunks and limbs of trees in search of insects. It can hop head first down tree trunks with ease.

## Continuing Education Program Is Planned

Meet the Lake County Home Economics Extension Council. This group of dynamic women aids Mrs. Helen Volk, extension adviser in Home Economics, University of Illinois with the planning and implementing of the Home Economics Extension Program in Lake County.

They actually wear "two hats" as they also serve as the council for the Lake County Homemakers' Extension Association, an educational group which is conducting its annual membership drive "Pass the Word About Our Changing Times."

Mrs. Warren Chard, Grayslake, heads the Home Economics Council which encourages that the home be "the center of every woman's interest but not the circumference." There are 22 local units with 650 members in all parts of Lake County. They have an educational lesson each month in various phases of home and community improvement. There are also workshops in home arts and crafts conducted in the Extension Building on the Fairgrounds at Grayslake.

She is assisted by Mrs. Donald Isleib, Libertyville, who is 1st Vice-President and program chairman. Mrs. Isleib and her committee plan the countywide program with the aid of unit program chairmen emphasizing local interests and problems. She also serves as International Chairman coordinating activities with the Associated Country Women of the World and as Special Activities Chairman.

Mrs. Richard Janssen, Libertyville, is 2nd Vice-President and membership chairman. She is currently in charge of the membership drive and is planning a Membership Tea for newcomers and a Megaron tour for those members who have signed three or more members during their tenure in the organization.

Mrs. Stanley Wojtowicz, Wildwood, and Mrs. Jack Tinker, Waukegan, are the Secretary and Treasurer, respectively, with Mrs. Tinker also serving as ways and means chairman. A charter member of the organization founded in 1932 is Mrs. Charles Wray, Wadsworth, who is Cultural Arts Chairman. Her duties include the organization of the annual Fall Homemaking Arts Show and the Town and Country Art Show.

Since 4-H is an integral part of the county program, Mrs. Russell Wertke acts as 4-H chairman. She has an advisory committee that helps her plan and implement the 4-H program in coordination with the Extension Advisers. The Safety and Citizenship Chairman is Mrs. Harold Gerry of Barrington and Mrs. Anton Merkel, Gurnee, serves as Hospitality Chairman. Mrs. Roman J. Lenzen Jr., Round Lake, seasoned veteran of the Lake County 4-H program and youngest council member is Public Information Chairman. Her job is that of keeping the work of Home Economics Extension in the news.

The Lake County Homemakers Extension Association is open to all Lake County women interested in creative homemaking and continuing education. Guests are welcome at unit meetings. Dues for the year are \$7.50. For more information call Mrs. Helen Volk, Adviser, at 223-4844, or Mrs. Janssen at 362-8863.

## Planning On Paper Helps Landscaping

Planning on paper is the best way to assure the proper landscaping of the home grounds, states Lake County Extension adviser Ray T. Nicholas.

A plan on paper is what the men and women who enroll in the Cooperative Extension Service course in Landscaping The Home Grounds will have at the completion of the course.

The 1971 course on home grounds landscaping will consist of five two-hour sessions, starting on Thursday, March 4th, and continuing for five consecutive Thursdays from 1:00 to 3:00 p.m., and concluding on April 11.

The course, which will be conducted by Extension Adviser Nicholas, is open to the public, and will provide basic information on landscape design, fitting trees, flowers, and shrubs into the landscape plan, and the care and maintenance of plant materials.

The extension adviser will present the information through lectures, color slides, motion pictures, and other printed materials.

Parties who wish to enroll should write or call the Lake County Cooperative Extension Service, Lake County Fairgrounds, P. O. Box 267, Grayslake, Ill. 60030 for entry blanks. Enrollments are due by Feb. 26.

Call 395-4111 to place a Society or News Item.

## Women Of Moose Hear Illinois Bell Speaker

The Hospital Committee Chapter Night meeting was called to order by Senior Regent Erna Toft. The Guides then escorted Chairman Kathleen Byrd to the altar where she presented the chapter with "checks for the Nurses Scholarship and W.O.T.M. Scholarship Funds. The members of this committee who were present are Shirley Gehris, Karen Bartuska, May Palmer, Una Fox, Pat Wagner, Lorraine Gerloff, Gloria Carrick, Jane Palmer, and Judy Page.

The guest speaker was Ted Flanagan from the Volunteer Speakers Bureau at Illinois Bell Telephone.

He is also the mayor of Lindenhurst, and very active in community affairs. He gave a very interesting and informative presentation on "Illinois Heritage" along with many slides of paintings made from original historical photographs.

The Chapter then proceeded with the enrollment of new candidate Linda Schroeder, sponsored by Gerry Schumann. Evelyn Kraus was presented with her chapter pin for attending three consecutive meetings.

Senior Regent Erna Toft asked the chapter to save all their cancelled stamps and old Christmas cards and to bring them to Harriet Grewe. These are collected to benefit Southern Colony.

Mid-Winter conference is on March 7 at Highland Park Chapter. A bus has been chartered, with the cost one dollar each. Please register with Junior Regent Judy Page by Feb. 18. All chairmen, guides and escorts are asked to inform the Senior Regent if you cannot attend.

The publicity committee will have a meeting March 1 at the home of Mille Stroner. The next meeting will be Feb. 18.

NEW BABIES

Thurman and Karen St. John of 1519 Oak Ave., Lake Villa, welcomed their first son and second child at St. Theresa Hospital on January 23. William Arthur tipped the scales to 9 pounds, 2 ounces. He has a sister, Michelle Lynne, 3 years old. The proud grandparents are Ace and Helen Minne of Fox Lake Hills, and formerly of Lindenhurst; also Art and Jerry Nowakowski of Rte. 83 and Loon Lake Rd., Lake Villa.

Gregory and Peggi Larson of Seven Hills, welcomed their second son at Victory Memorial Hospital on January 29. Erik Thomas weighed 8 pounds 11 ounces. His brother John was just 2 years old on Jan. 25.

GREAT LAKES VISITATION

Members of the Lindenhurst Women's Club visited wounded servicemen at Great Lakes Hospital on Monday, Feb. 15.

GARDEN CLUB

The Lindenhurst Garden Club met Tuesday, Feb. 16 at 7 p.m. at the B. J. Hooper School on Sand Lake and Beck Roads. A representative of Ralph's Green House at Round Lake will conduct a question and answer period at the March meeting.

BIRTHDAYS

## Antioch Man Married In Wisconsin Rites Saturday

Mary Queen of Heaven Catholic Church, West Allis, Wis., was the setting for the marriage of Miss Christine Darlene Rupena and Dennis Melvin Johnson at a 2 p.m. mass, Saturday, Feb. 13.

The former Miss Rupena is the daughter of Mr. and Mrs. Emil Rupena, West Allis, and her husband is the son of Mr. and Mrs. Melvin Johnson of Antioch.

The bride wore a white satin A-line gown, with embroidered sheer sleeves and trailing train, which she designed and made, along with the honor attendants' dresses. She carried a bouquet of red roses and carnations.

Mrs. Darlene Hancock, a sister, was maid of honor. Patricia and Pamela Johnson, sisters of the groom and Miss Carol Muhar, a friend of the bride, were brides-

maids. They wore full length green velvet skirts with white blouses. Tammy Hancock was the flower girl with Scott Oravec, the ring bearer.

Robert Johnson, brother of the groom was best man, accompanied by Michael Johnson, brother of the groom, Larry Lesperance and Thomas Landers, friends of the groom, all of Milwaukee. The groom and his attendants wore brown velvet trim, bell bottom tuxedos. The ushers were Mike Kocho and Dean Johnson, brother of the groom.

The mother of the bride wore a pink chiffon dress with a corsage of pink and white carnations. The groom's mother wore a green dress with a corsage of green and white carnations.

About 250 guests greeted the newly weds at a reception.

Out of town guests were from Iowa, Benton Harbor, Mich., Green Bay, Appleton, Madison, Kaukauna, Wis., and Antioch, Chicago, Hebron, McHenry, and Melrose Park, Ill.

The couple are honeymooning in Powder Horn Mountain, Mich., and will make their home at 10211 West Greenfield Ave., West Allis, Wis.

The former Miss Rupena is employed as a secretary for the city of West Allis.

Dennis Johnson attended Antioch schools and graduated from Marquette University in 1966, majoring in engineering. He is presently employed as a civil engineer for the city of West Allis.

## CHRISTIAN SCIENCE CHURCHES

Maintaining neighborhood peace has a religious dimension and obligation.

This is brought out in the Lesson-Sermon on "Mind" to be read at Christian Science church services Sunday.

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy reads:

"When we realize that there is one Mind, the divine law of loving our neighbor as ourselves is unfolded; whereas a belief in many ruling minds hinders man's normal drift towards the one Mind, one God, and leads human thought into opposite channels where selfishness reigns."

Bible citations include the Golden Text from Isaiah: "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the Lord for ever."

Services begin at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch. All are invited.

## Spongs Visit Circus Museum

Mr. and Mrs. Grant E. Spong of 580 Garys Drive, Antioch, were recent visitors to the state-owned Ringling Museums at Sarasota, Fla. Spong, president of the Chamber of Commerce of Antioch, is associated with the Quaker Industries.

Call 395-4111 to place a Society or News Item.

## Interest Growing In Coming Art Show

Hundreds of amateur artists from all areas of the county are eagerly awaiting the 1971 Town and Country Art Show, according to Extension advisers, Ray T. Nicholas and Helen Volk.

The art show is sponsored by the Lake County Cooperative Extension Service of the University of Illinois, and will be held in the Farm Bureau Building on the Lake County Fairgrounds, April 6 and 7.

According to present indications there will be entries in all classes including paintings in various media, ceramics, wood carving, sculpturing, metal enameling, weaving, pottery, photography, and other crafts.

Entries will be judged in three different age or grade level groups: 18 years of age and older, under 18 and/or high school, and below high school. The blue ribbon winners in the upper age level group will be

eligible to enter the regional show in the summer.

Last year's show drew a total of 751 entries from more than 350 amateur artists. Seventy-nine entries in the upper age level group were selected by the judge for entry in the regional show and three of these were selected for the state exhibit.

The distinctive feature of the Town and Country Art Show are critiques conducted by the jurist. These critiques will be held at 2:00 p.m. and 7:30 p.m. on Tuesday, April 6. The public is invited to attend the show and critiques without charge on Tuesday, April 6 from 1 to 10 p.m. and Wednesday, April 7, from 9 a.m. to 9 p.m.

Entry blanks and rules of the show may be obtained by writing: Ray T. Nicholas, P. O. Box 267, Grayslake, Ill. 60030 or Helen Volk, P. O. Box 306, Grayslake.

## Cub Pack Members Get Awards

The January pack meeting for Cub Scout Pack 192 was opened with the presentation of the colors. Following the pledge to the flag, Cubmaster Ray Atwood presented awards to the boys.

New Bobcats were Bret Eastman and John Jackson.

Richard Becker received his Wolf badge and Larry Haveman earned a silver arrow under Wolf.

Bear awards were: Bob Kelley, Bear badge, Tom Connelly, a gold arrow and silver arrow; Larry Haveman, silver arrow and Mike Connors, 2 silver arrows.

Denner bars went to Mike Connors and Michael Hogan. Assistant Denner bars went to Ken Golonka and Larry Haveman.

One year pins were awarded to Tom Connelly and Ronald Naudman. Mike Connors received his 2 year pin.

Steve Sander and David Ashbacher each received the Outdoorsman Award.

Webelos scarves, ribbons and books were presented to Tom Connelly, Mike Connors, Kevin Sheppard, Donald Elder and Duncan Hucker.

Gary Allen and Raymond Kirby were graduated into Boy Scouts.

Hospital favors for January were made by Den 1. Refreshments were served following the

## Income Tax Filing Requirements Eased

An estimated six million people will no longer be required to file income tax returns because of liberalized rules added to the law by the Tax Reform Act of 1969.

E. P. Trainor, District Director of Internal Revenue, Chicago District, said a single person is not required to file a return unless he has income of \$1700 or more. Previously, he said, such a person had to file if he had \$600 or more income. Single persons 65 or over do not have to file a return unless they have \$2300 or more instead of \$1200 as in the past.

The increased filing requirements apply also to married couples, but only if they live together and file jointly and neither is a dependent of another taxpayer. Such a couple, under 65, do not have to file a return until their combined income reaches \$2300. If both are 65 or over, no return is due on income under \$3500, or under \$2700 if one of them is 65 or over.

Married persons filing separately, however, are still required to file returns on incomes of \$600 or more; the same as in

meeting. The Blue and Gold Banquet will be Sunday, Feb. 21, at 3:00 at the Oakland Grade School.

the past. Persons with net profit of \$400 or more from self-employment must file and pay the self-employment tax, even though no income tax may be due.

Anyone not required to file but who has income tax withheld should file a return to get his refund, Mr. Trainor said.

## Altar Society Sponsors Movie

The St. Peter's Altar and Rosary Society and Mother's Club are sponsoring the movie "Rio Lobo" at the Antioch Theatre on Monday, March 1, and Tuesday, March 2.

Tickets may be purchased at the school or from members of the Altar and Rosary Society and the Mothers' Club.

Money raised will be used to pay for repairs to the school bus.

## Holly Barlett Is I.U. Pledge

Holly Barlett of 1109 Victoria St., Antioch, pledging Kappa Alpha Theta, was among 374 Indiana University coeds pledged by social sororities during second-semester formal rush. There are 19 sororities at I.U.

## Lincoln Home Proposed As Nat'l Shrine

Cong. Robert McClory has joined in sponsoring a bill to designate the home of Abraham Lincoln in Springfield, Illinois, as a national historic site.

In co-sponsoring this measure with Cong. Paul Findley of the Springfield District, Mr. McClory stated: Each year the Lincoln home is one of the ten most popular historic sites in the country. People come from all over the world to visit it. Steps must be taken to preserve the home and its environs for future generations of Americans.

The Department of the Interior has indicated its desire to assume jurisdiction of the Lincoln home and to provide for its preservation, as well as the development of the surrounding property as

part of a national historic site. The McClory legislation is scheduled for a hearing soon before the House Interior Committee.

All Illinois members of the House are supporting the Lincoln Home Bill. Also a similar measure has been introduced in the Senate by Senators Percy and Stevenson. The measure is backed by Illinois Governor, Richard B. Ogilvie.

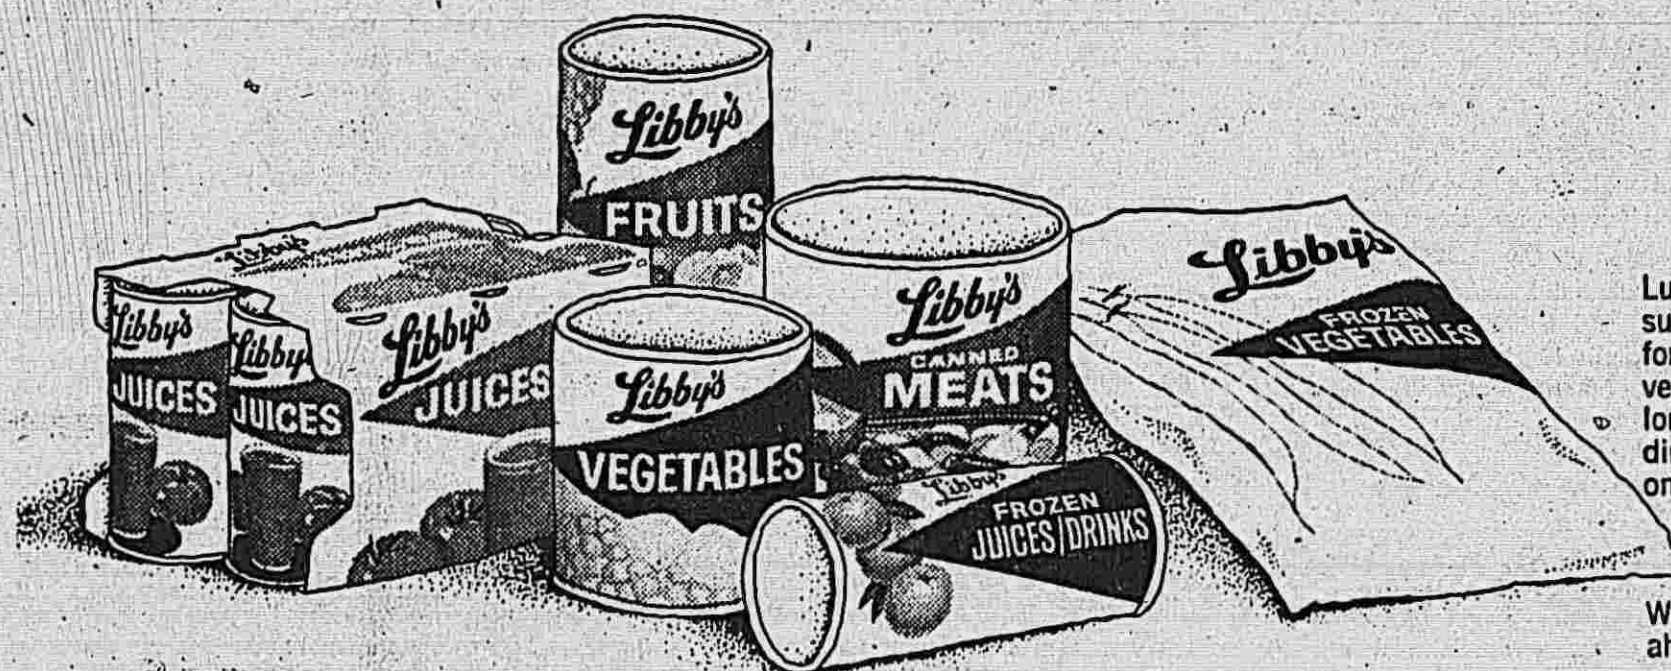

The Congress has adjourned for one week out of respect for President Lincoln's birthday, and many members are delivering Lincoln Day addresses in their Congressional Districts.

Instead of getting rid of his prejudices, the average person whitewashes them and tries to pass them off for principle — Oliver Miller, The Thomaston (Ga.) Times.

The largest penguin, the "emperor", has an average weight of 70 pounds.

# Waukegan Speedway Opens In 2 Months

The opening of the Waukegan Speedway is just two months away and these wintry days find many stock car owners and drivers hard at work on their 1971 racers. The opening weekend at the Speedway will see late model and hobby stock racing on Saturday night, April 10, and Sunday afternoon, April 11.

At least two of Waukegan's late model drivers from last year already have their new cars done and are trying them out in Florida during special races there in February. Ray Young, of Chicago, the 1969 and 1970 champ has a new Mercury for this season and is working the bugs out in a warmer climate. Ray Freeman of Crete has a new Camaro entered in the early season events. Freeman won one feature last year at Waukegan.

Speedway officials report the 1971 registration is running ahead of previous year, especially in the hobby division where a point fund is being offered for the first time this year. Registration information is available by writing Lake County Racing, Inc., 3305 Washington Street, Waukegan, Illinois 60085.

It looks as though a good field will be ready for the first action in April as the Waukegan Speedway again opens the Chicago-land stock car season. Young, Freeman, Jim Cossman, Bob May and Vern Browne are expected to top the list of late

## Marine Athletic Fitness Competition Set For June

The 1971 Marine Corps Youth Physical Fitness Program, an annual athletic competition among high school students throughout the country, was announced recently by the Commandant of the Marine Corps.

More than 350,000 youngsters are expected to compete for top honors and thousands of dollars in scholarships as part of the program which will culminate on June 17 with the National Championship meet at Washington, D.C.

Two scholarships will be awarded by Post Cereals of the General Foods Corporation, which supports the Youth Physical Fitness Program. The top scoring senior will receive a \$1,500 scholarship to the college or professional school of his choice. The second place senior will be awarded a \$1,000 scholarship. Additionally, Post Cereals will present a \$500 grant for the purchase of physical fitness equipment to the high school with the highest scoring team without a scholarship winner.

Test events for the competition include a series of five exercises actually employed by the Marine Corps to test the fitness of individual Marines. Sit-ups, push-ups, squat-thrusts, pull-ups and a 300-yard run are scored on a point system, 100 being the maximum

score for each exercise. Elimination meets between schools within geographical areas of the country are conducted annually and two top-scoring teams from each of the six Marine Corps Districts are invited to the National competition.

The 12 six-man teams will spend five days in the Nation's Capital in June. Besides competing for the Youth Physical Fitness Championships, the young athletes will be treated to an extensive sight-seeing tour of the capital city.

The Marine Corps Youth Physical Fitness Program is conducted in support of the President's Council on Physical Fitness. The basic purpose of the program is to promote physical fitness among high school students by qualifying them for the Commandant of the Marine Corps' Certificate of Physical Achievement. All individuals scoring at least 250 points on the fitness test will receive the certificate.

Marine Corps Recruiting Stations and local Marine Reserve units will provide assistance in establishing the Youth Physical Fitness Program at individual schools.

For more information contact Gy. Sgt. Martin F. Reith, your local recruiter, at 106 S. Genesee St. Waukegan, or call 662-0947.

model drivers.

In the hobby division 1970 champion Tom Oliver is expected to be back to defend his title from the opening flag with Tom Reuss out to regain the title he lost in the final two races of last year. Reuss and his brother Don will field two cars for the oval track at Waukegan while a third car will be used for drag racing.

Since the rule changes were announced at the close of the 1970 season, there will be no drivers' meeting this Spring.

## Gages Lake Lions Club To Hold Snowmobile Derby

The Gages Lake Lions Club has reset the date for its second annual snowmobile family playday for Sunday, Feb. 7, had to be postponed due to the dangerous conditions on Gages Lake following the rain storm two weeks ago.

"The lake was just a glare of ice," Robert Johnson, chairman of the event, said, "many professional drivers from the area and Chicago came, but concurred with us that racing on the lake would have been unsafe to both drivers and spectators."

The same schedule of events as planned before will be held as planned. If they are unable to hold the activities on Gages Lake, at the Picnic Grove Headquarters, located on Rte. 45 and Gages Lake Rd., the club has secured an alternate location nearby. "The derby will be held Sunday," Johnson said, "regardless of weather conditions, but we are praying for snow to make the conditions on the lake favorable for us."

"We hope that all those who made the effort to come when the race was originally scheduled will return," Johnson concluded.

The Fred Nielsen team of Lake Villa, Jerry Nerheim of Waukegan, and several Chicago teams made the trip Feb. 7.

## Emmons Quintet Wins Two Games

On Thursday, Feb. 11, the Emmons Raiders engaged the Grass Lake Braves at Grass Lake School. Coach Mike Mitchell's Emmons teams came away with two bitterly contested, hard fought victories.

The "B" game was close throughout. The first half ended 10-7 with Emmons in the lead. In the second half Grass Lake scored a quick basket to close the lead to one. The Braves added one more to end the third period 10-10. From this point the lead changed four times, until with 10 seconds left, Jerry Schmidt hauled down a rebound and passed to John Kakacek for the go ahead basket. This gave Emmons a slim 14-13 win. High point man for Emmons was Kakacek with 6 points. John Eudean added 4. Scott Nohava of Grass Lake led all scores with 7.

The "A" game was marred by numerous fouls, including two technical fouls. Emmons stormed to an 18-16 lead, on the strength of their full court press. Grass Lake outscored and out-rebounded the Raiders to go ahead 26-24 at the half.

Grass Lake opened their margin to eight points by the end of the third period. The Braves completely dominated the boards.

Early in the fourth quarter the momentum had switched to the Raiders. Fighting back to keep their unbeaten streak alive, the Raiders tied the score on Bill Petty's basket with three minutes left. Bob Dodd added four free throws and a basket and Petty and Bob Bach added a goal each to send Emmons in front to stay. The Raiders scored 18 points in the quarter while Grass Lake added only one. The game ended 50-41, with the Raiders 6-0 in conference play.

High scorer was Bob Dodd with 28. Ken Griebell had 20 for the

## Little League Seeks Aid From Village

An official of the Antioch Little League appealed Monday night for financial aid from trustees in order to cover some of the expenses in operating the Babe Ruth and Little League during the summer months.

"We find it difficult to be approaching the merchants and parents each year to cover the expenses," Robert Caldwell of the Little League said.

He reported that the expense in operating the summer activity is growing with each year. He estimated that the cost runs in the neighborhood of \$3,500.

Village Mayor Raymond Toft promised to look into it and see what can be done legally.

"I'd rather see some equipment like bats and balls purchased," said Trustee J. Irving Walsh, "instead of paying for the umpire service."

Caldwell said that more than 400 boys take part in Little League and the Babe Ruth League during the summer months.

## Four Holidays Observed On Mon.

Under the Uniform Holiday Act, which takes effect in 1971, four designated holidays will now be observed on Mondays throughout the nation. Washington's Birthday will be observed on the third Monday in February; Memorial Day on the last Monday in May; Columbus Day on the second Monday in October; and Veteran's Day on the fourth Monday in October.

With Labor Day, the new schedule guarantees at least five long weekends every year.

## Snowmobile Accidents Increasing — Commission

The snowmobile season is half over, and the ever-increasing sales and use of the machines have been followed by a growing number of fatalities and injuries, according to the Lake County Safety Commission.

Collisions between snowmobiles and motor vehicles are prominent

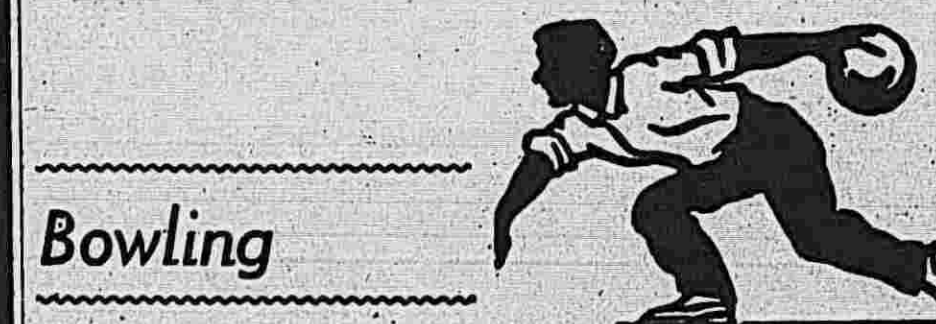

in current accident reports. A snowmobile with no lights on moving down a highway at night is no match for even a slow-moving motor vehicle. The Safety Commission urges snowmobilers to keep off public thoroughfares, crossing roads with extreme caution after coming to a complete

stop, checking for traffic, then crossing at right angles to the traffic flow.

Fixed objects also create hazards and were involved in last year's fatalities. Collisions with parked cars and other snowmobiles, barbed wire fences, guy wires, fallen trees, and concrete abutments have resulted in several deaths and numerous serious injuries. The Commission advises that when snowmobiling the unbeaten or unfamiliar trail, take it slow while checking out the terrain, its markings, and possible hazards. Even a light snow flurry can cover wire fences and

guy wires, blending them into the surroundings. Refrain from jumping snowbanks; what you can't see may be dangerous. Again, stay clear of traffic, even if it's stationary.

Ice must be thoroughly checked before venturing onto its surface with such a heavy piece of machinery. The ice should be several inches thick, and underwater currents should be noted from information of local authorities. Even a light coat of snow can cause the ice to weaken because of the snow's insulating effect. Engage in snowmobiling, safely and sanely.

THE ANTIOCH NEWS-6

# Home Stand Ends In Winning Two

By the Sixth Man

The Sequoits closed their home season this weekend by outlasting Grayslake 78 to 64 and Lake Forest 59 to 50.

In the Lake Forest game the Sequoits found revenge in the second half as we pulled ahead to stay. I think that our offensive rebounding by Bolton and Martin opened the lead for Antioch.

Keith Bolton, our leading scorer was held to 11 points because of the sagging defense that Lake Forest used. Although Keith's scoring wasn't as usual, his presence on the floor is devastating by itself.

While Bolton was stopped by the aggressive defense of Lake Forest, Tom Martin tallied 15 points to lead Antioch to victory. Tom also did fine work on the boards.

In both the Grayslake game and the Lake Forest game teamwork was present in every stage of the game. Steve Bentel scored a career high of 12 assists as he was one short of Tim Mieuire's record set earlier in the year.

In the Grayslake game, defense was one of the contributing factors. Steve Bentel and Tom Martin both did an excellent job on Stickle and Wilkins. Keith also aided the cause by stopping Wilkins on the drive.

In the Grayslake game Keith led all scorers with 27 points. Many of Keith's points came on fine offensive tips and jump shots from the outside.

A fine reserve, Jeff Williams, came off the bench to haul down 11 rebounds. Bolton and Martin both had 7 rebounds.

I would like to thank the student body and the people of Antioch.

och for the wonderful participation at the basketball games this season. I hope that the students of Antioch will again back us as we travel to Wauconda with three goals in mind. To be a 20 game winner, conference champions, and District champions.

Dave Bendull and Scott Albright, student managers, are two students that serve the varsity basketball team. Their responsibilities are many and their help is a great aid to the varsity coaches. "These two fine young men are only two of a long line of excellent team managers we have had at Antioch High School," stated Coach Andrews.

### TAXPAYERS ASK IRS

**Q-Who must file an income tax return this year?**  
A-The 1969 Tax Reform Act raised the gross income levels at which returns must be filed. Previously a return had to be filed when gross income reached \$600.  
A single person must file if his income is \$1,700 or more. Married persons living in the same household and filing jointly must file if their income is \$2,300 or more. These totals are increased by \$600 if a person is 65 or older. Other married persons generally are required to file if they have income of \$600 or more.  
Taxpayers due a refund of taxes withheld must file a return to get a refund.  
**Q-How have you made it any easier for retired people to figure the retirement income tax credit?**  
A-Yes, the IRS will figure the credit and the tax for them in many cases. To qualify, they must take the standard deduction and have income not over

## 431,000 In Illinois Receive Food Stamps

Nearly 431,000 persons in all 102 Illinois counties received food assistance through the Food Stamp Program during November, according to Dennis M. Doyle, Midwest regional director of the U. S. Department of Agriculture's Food and Nutrition Service. FNS sponsors the program in cooperation with the Illinois Department of Public Aid.  
The total included 346,980 on public aid and 83,954 other low-income persons.  
During November, Illinois participants received more than \$10.5-million worth of food coupons of which nearly \$5-million were bonus coupons. This was a bonus average of \$11.33 per person.  
In 673 Midwest projects, around 2.4-million persons were in the program during November. Total value of coupons was nearly \$55-million of which 57 percent was in bonus coupons. The regional bonus was \$13.03 per person.  
By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid.  
Recipients spend coupons just like cash, at authorized retail

## Ogilvie Asks Disclosure On Income

Gov. Richard B. Ogilvie has asked the Illinois General Assembly to enact sweeping laws requiring full disclosure of political spending and the financial affairs of Illinois public officials.  
Rejecting "half-measures," Ogilvie declared:  
"We have reached a point of danger because of the loss of confidence in the democratic process in Illinois. We cannot afford further degradation."  
"The problem does not arise only from the sensational reports of the last few weeks. It did not begin with the spending abuses of recent campaigns. In one degree or another, we have all been too insensitive for too long."  
"Further resignation to this state of affairs is intolerable, for that itself is corrupting."  
In a terse, printed message to legislators, Ogilvie called for:  
-Disclosure of all major sources of income, debts, gifts and honorariums by all elected Illinois officials of all governmental units who are paid more than \$5,000 a year, and by all appointed officials earning \$20,000 or more.  
-Enactment of a Political Spending Act requiring disclosure of political contributions—and major individual contributors—as well as spending in every election, referendum and campaign in Illinois.  
Ogilvie said the State Electoral Board should administer the act, which would provide criminal penalties for material omissions or false reports.

### Legal Notice

**LEGAL CLAIM NOTICE**  
IN THE CIRCUIT COURT OF THE NINETEENTH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS  
PROBATE DIVISION  
ESTATE OF EDWIN C. BLATTER, Deceased.  
FILE NO. 71 P-52  
NOTICE IS GIVEN OF the death of EDWIN C. BLATTER of Antioch, Illinois. Letters of Office were issued on January 28, 1971, to IRMA S. PAUCH, Route 5, 66-2nd Avenue, Antioch, Illinois, Executor, whose attorney is JACOBS & JACOBS, 425 Lake Street, Antioch, Illinois.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 18 N. County Street, Waukegan, Illinois, 60085, within 7 months from the date of issuance of letters; any claim not so filed is barred as to the estate inventoried within that period. Also copies of claims must be mailed or delivered to the Executor, and to the attorney, STEPHANIE SULTHIN, Clerk of the Circuit Court (Feb. 18-25, Mar. 4, 1971).

**LEGAL HIGHWAY NOTICE**  
The Commissioner of Highways of the Town of Antioch, County of Lake, State of Illinois, hereby gives notice that upon the 23rd day of February A. D. 1971, at the hour of 2 o'clock P. M. of said day, at the intersection of Beach Grove Road and Grand Avenue, he will hold a public hearing at which he will consider reasons for or against the proposed laying out and altering of a road described as follows:  
The road commonly known as Grand Avenue, which has as its starting point Beach Grove Road; and thence travels in a southerly direction to the subdivision platted and known as Grand Bluff Subdivision; and thence in a southerly direction along and past Blocks 1 and 2 of the said subdivision to its terminus just south of said Block 2; all being in the northeast quarter of Section 28, Township 46 North, Range 9, East of the Third Principal Meridian; Lake County, Illinois, at which time and place he will determine upon the advisability of such proposed laying out and altering and publicly announce his final decision relative thereto. Dated this 12th day of February A. D. 1971.

### W-2 Required With Form 1040

Everybody's interested in getting his income tax refund as early as possible. One way to insure that your refund won't be delayed is to attach your W-2 forms—the Wage and Tax Statements from your employers—to the back of your Form 1040. If you're careless when you prepare your return or forget to attach the W-2's, you'll only delay your refund.

Employers must furnish W-2's to their employees by February 1 this year. Contact your employer if you don't receive yours. If you've moved, make sure your employers know your new address so they can mail your W-2 forms, if necessary.

Remember—to simplify the processing of your income tax return, attach Copy B of the W-2 from each employer to the back of your Form 1040 and keep Copy C for your own records. Your return isn't complete until you've attached a copy of each W-2.

**"THE DEVIL MADE ME DO IT"**  
The "Conscience Fund" at the U. S. Treasury, not long ago received an anonymous gift of \$293.03 in a brown paper bag. Many citizens send contributions to ease consciences for dishonesty in the past. Since it was established in 1911, it has received almost \$3 million, according to U. S. Treasurer Dorothy Andrews Elston.

**HIDDEN TAXES**  
The California Taxpayers' Association, in its publication "Cal-Tax-News," states the "Tax Foundation," which some years ago found at least 100 taxes on an egg, 151 on a loaf of bread and 150 on a woman's hat, has added to its catalog of hidden taxes. Now it finds 116 hidden taxes on a man's suit. Happy hunting!

**Q-I have all my tax records. Can I file without my W-1?**  
A—No, a W-2 withholding statement from each job held during 1970 should be attached to your return. Failure to do so delayed the refunds of many taxpayers last year.

**Q-I was out on strike last spring. Do I have to pay tax on the strike benefits I received then?**  
A—Yes, strike benefits are taxable, unless the facts clearly show they were intended as a gift.

### Personal Tax Exemption Is Now \$625

The Tax Reform Act of 1969 raised personal and dependency exemption deduction for federal income tax from \$600 to \$625 for 1970. E. P. Trainor, district director of Internal Revenue, Chicago District, said:  
The extra exemption for taxpayers' 65 or over or for those who are blind is also \$625.  
The increase in dependency exemptions was accompanied by a change in the income test for claiming dependents. Previously, a person had to have income of less than \$600 to qualify as a dependent. That amount has now been raised to \$625 for 1970.  
The gross-income test, however, does not apply to children under 19 or to full-time students, but parents still must furnish over half of the child's support and meet the other dependency requirements to claim him as a dependent.

## Township Officials Okay Federal Revenue Sharing

A poll of members and directors of the Township Officials of Illinois, headquartered in Astoria, revealed unanimous endorsement of President Nixon's proposal for sharing federal revenue with state and local governments, as announced in the President's State of the Union message.  
Troy A. Kost, executive secretary of the Township Officials Association, reported that the revenue sharing plan has long been considered a desirable one by the association's membership, as part of a necessary move to strengthen government which is close and responsive to the people.  
"That closeness and responsiveness certainly applies to township government," said Kost, "and so does the need for additional revenues. The fact is that townships generally find themselves at the low end of the tax collection pole, and will be even more so after personal property taxes no longer provide township income. We need shared revenue or we must raise tax levels to maintain the essential services which townships deliver."  
Kost pointed out that when it comes to tax levies, the closeness of townships to the people makes it difficult to set levies at rates comparable to those which bigger, more remote, less responsible governments are able to establish. He also expressed concern that, should a revenue sharing proposal be adopted, these big governments would be muscling their way to the head of the line to collect the lion's share of available funds.  
"Townships deserve additional revenues because they meet the
